

Sills & Smith The Glorious Ache album available now!

(Ottawa, July 2013) - The brand new studio album by Sills & Smith entitled The Glorious Ache is now available! It features 15 tracks penned by the band, exploring diverse sonic territory and delivering songs brimming with melodic and lyrical invention.

Sills & Smith is an independent, alternative folk/rock band based in Ottawa, Canada. The group includes Jeremy Sills, Frank Smith and Jonathan Edwards. The band has released three albums of all original material: The Glorious Ache (2013), No Way In, No Way Out (2012) and Uncertain Vista (2011). These are full-length efforts recorded and produced by Jonathan Edwards in his studio, Corvidae Music.

The Glorious Ache is available as a digital download from iTunes, Amazon, CD Baby and many other retailers. The beautiful digipak edition is also for sale online and in select box stores.

Five tracks from The Glorious Ache are now streaming on our Reverbnation and Facebook pages. We are so proud of this music. We hope listeners enjoy experiencing the musical journey of this recording as much as we enjoyed creating it.
